

configatek

configuring technology for our future

Pre-paid Support

Configatek believes support should be simple and flexible. Our solution for ad-hoc platform and application support keeps you in control of your investment and priorities while avoiding cumbersome processes.

How Does It Work?

You purchase monthly pre-paid support and direct us how to use it. We report on how it's been used, and let you know when a top-up is needed.

What's Included?

- Brisbane-based support staff
- Monthly reporting
- Top-up notifications
- Dedicated email or web-based form
- Quarterly service review

Microsoft PowerApps

Microsoft Flow

Microsoft Power BI

Microsoft SharePoint

Standard Support

- Mon – Fri 8:30am to 5:30pm AEST
